### **QUOTE OF THE DAY**

"We're all constantly keeping score. You can't help it. But trying to pit ourselves against other people in some measurable way is largely a waste of time." – Ron Howard

"I don't think I'm the best. I definitely think that there are other players that are better than me. I think the comparison game is very dangerous because you're just never going to be able to be someone else." – Megan Rapinoe

"Be nice to people on your way up, because you're going to meet them all on your way down." – Jimmy Durante

"Our theater must stimulate a desire for understanding, a delight in changing reality. Our audience must experience not only the ways to free Prometheus, but be schooled in the very desire to free him. Theater must teach all the pleasures and joys of discovery, all the feelings of triumph associated with liberation." – Bertolt Brecht

"Literature is my Utopia. Here I am not disenfranchised. No barrier of the senses shuts me out from the sweet, gracious discourse of my book friends. They talk to me without embarrassment or awkwardness." – Helen Keller

"If a man does not keep pace with his companions, perhaps it is because he hears a different drummer. Let him step to the music he hears, however measured or far away." – Henry David Thoreau

"Language is the soul of intellect, and reading is the essential process by which that intellect is cultivated beyond the commonplace experiences of everyday life." – Charles Scribner
